

## How to use our app

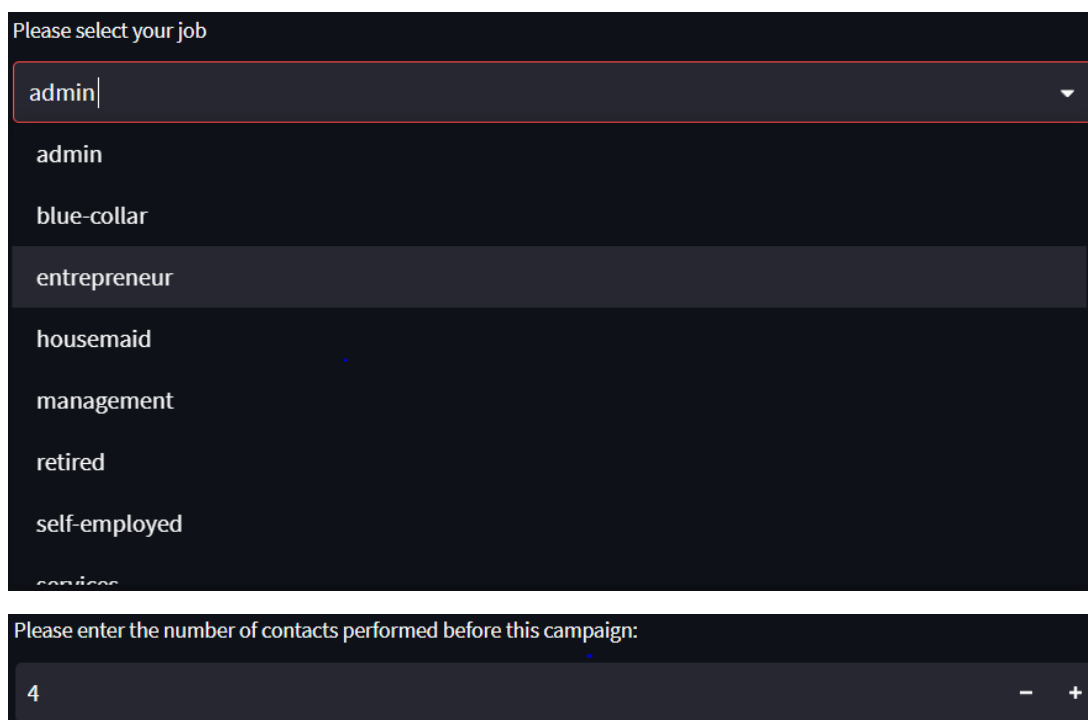

- 1- Go to this address(<https://kdakn-ada442-streamlit-stuff-twv5n2.streamlit.app/>)

The screenshot shows the 'Deposit Prediction Web App' interface. It features a dark theme with white text. At the top, there's a title 'Deposit Prediction Web App' next to a document icon. Below the title, there are seven input fields, each with a label and a corresponding input type:

- 'Please enter your age' with a numeric input field showing '0'.
- 'Please select your job' with a dropdown menu showing 'admin'.
- 'Please select your marital status' with a dropdown menu showing 'married'.
- 'Please select your education' with a dropdown menu showing 'basic.4y'.
- 'Please select your if you have credit in default or not' with a dropdown menu showing 'yes'.
- 'Please select your if you have housing loan or not' with a dropdown menu showing 'yes'.

- 2 – Fill the form with the appropriate answers

This block shows two specific parts of the form. The top part is a close-up of the 'Please select your job' dropdown menu, which is open, showing a list of job options: 'admin', 'blue-collar', 'entrepreneur', 'housemaid', 'management', 'retired', 'self-employed', and 'services'. The 'admin' option is currently selected. The bottom part shows the 'Please enter the number of contacts performed before this campaign:' input field, which is a numeric field with the value '4' entered.

3 - According to your answers the app will predict if the client is subscribed or not.

Please enter euribor 3 month rate

0,00 - +

Please enter number of employees

0,00 - +

Press me

 No! Client is NOT subscribed to a term deposit.
